Hi Rob,

Useful to have a quick chat, thanks. Given the scope of the works being amended I cannot see anything I need to comment on.

Thanks,

Elspeth

Hi Rob,

I haven't had a chance to look at this NM yet. Can we have a quick catch up about anything I may need to be concerned about when you have a minute?

Thanks,

Elspeth

Dear Sir

Non-Material Amendment to Planning Approval NYM/2017/0505/MEIA

Thank you for consulting Scarborough Borough Council on the above application.

Following consideration of the submitted information and noting the number of amendments to the design elements of buildings the Borough Council has concluded to raise no objections in relation to these proposed modifications.

Yours faithfully

S Wilson
