Subject: Re: Coal Yard, Station Road, Robin Hoods Bay - NYM/2019/0175/FL

Good Evening Mrs Saunders,
Please see the attached Tree Survey and photos taken today at the Coal Yard.
It is proposed to remove trees T1 to T7 and retain trees T8 and T9 only.
The trees to be removed are self-seeded Sycamore and Ash and are in poor condition as can be seen on attached photos.
Kind regards,

John Peoples
