

Due van K-Frank. With reference to NVM2019102049/H2 Application....of variation of condition 4 of planning approval....to allow use as local acceptancy dwelling boliday lening Contage at 6 Coastguard Contages. The Darp Room, Fisherhead, Robishoods Bay. Allong with bo have characterized in the same wayer dramating of the stability of the stabi The application Planning Support statement of 21st of March 2019, page 3, 2.3, states that the applicants daughter vacated the property within the last 6 months. This is factually incorrect. The applicants daughter vacated approximately 3 years ago. The property has not been inhabited in that time and with the future possibility of incensed use ware keen to resolve the question of the kigninary of the fature.

There are your will apprecise that if this drain has not been approved and does not conform to building regulation standards, it may pose a potential balls hazed. Last year we had to notify Mrs Staw, that having chewed through the vestars that does neer coming from the sevage onlice of number 6 by nonrelives and or artightory. Ms Shilly Mallad at number 2 Canagand Congues, Containly the quilty of weshmaling of the rinking and inclusion. The sevage onlice of number 6 by nonrelives and or artightory. Ms Shilly Mallad at number 2 for a start seven with a indication with hanks it examp to be address of congues. The site of the number 1 by the field of the sevage onlice of the number 1 by the field of the sevage onlice of the number 1 by the field of the number 1 b

Thank you for your attention in this matter and I look forward to hearing from you in due course.

Regards. Theresa Johnson. 4 Coastguard Cottages, YO224SY.
