Subject: NYM/2018/0653/FL St. Athanasius Monastery church

Hi Hilary,

It was good to see the heritage impact assessment report for the above application. My thanks to the applicants and Solstice Heritage for assisting and providing the report. The report is a useful addition to the information we have on the area, and confirms that a watching brief will not be necessary for groundworks should the application be successful.

If there are any further heritage queries about the site please do let me know.

Best regards,

Nick Mason
