Dear Ailsa Teasdale

Please find details of a now sourced car parking for the proposed one bedroom apartment at the Runcible Spoon.

I'm sorry I have taken this long to respond as I had to wait for an answer from various lines of enquiry and I've been away on vacation.

A space for one car has been allocated at the front of the Badger Hounds in Hinderwell after consultation with Stephen Sands and Partner, the current tenants now running the public house.

One space is all that can be offered to me, which in my opinion is sufficient, considering the size of the apartment which will be let to one visiting couple or single person at a time.

If you need to complete your undertakings on this matter please contact, Stephen Sands, The Badger Hounds, 39 High Street, Hinderwell, Saltburn by the Sea TS13 5JX.

Yours Sincerely

Andrew Donoghue
