Dear Mrs Saunders

Thank you for your letter and suggestions.

I hope the enclosed amendment will address the issues you raise. I have taken into account the details of the existing Ryefield House in respect of windows, details and roofing details particularly introducing an eaves overhang and soffit and a slight but significant change to the rooflines with the sprocketed eaves.

Entrances are changed with real arts and crafts details. Details are importantly changed, arches to window heads, brick sill design and the re-introduction of the Coach House type arch window openings to the front.

I do hope this will be helpful, let me know if you require anything further.

Regards,

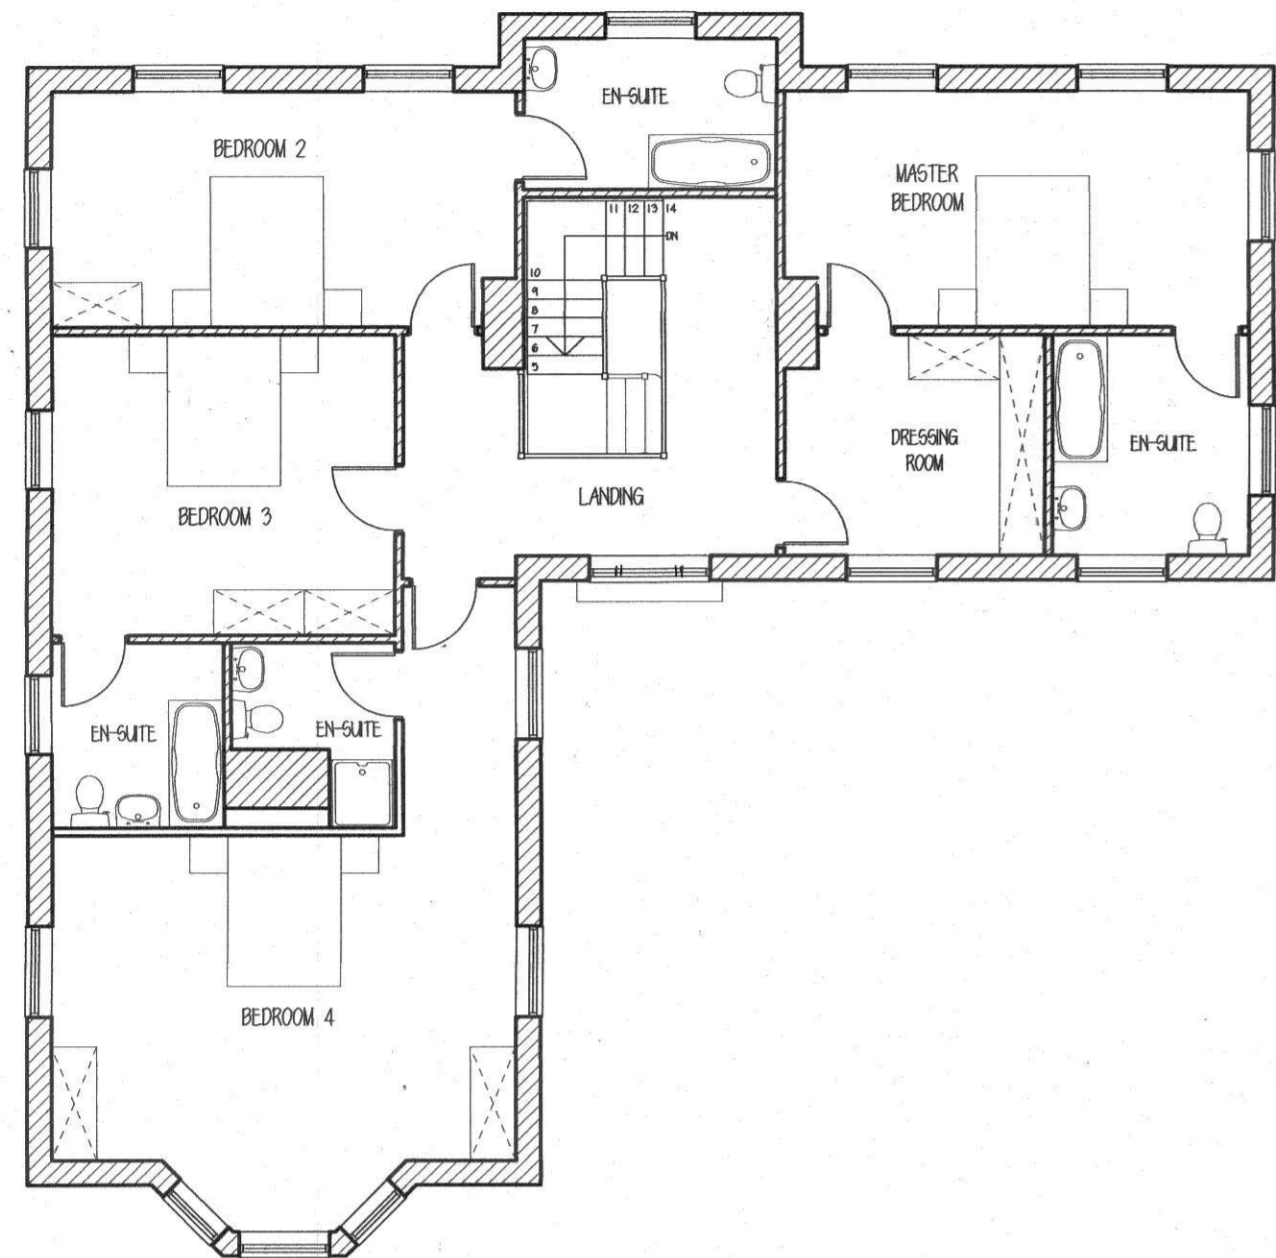

Malcolm Tempest
