Thanks very much, we have had a look at the plans and the planned drive is not where we assumed, by our house and taking away the disabled parking space but round the corner on Station Road. So on that basis we would have no objections or issues that would affect us. Our only comment would be that there is a blind corner round the Grosvenor and especially in the summer we get a lot of holiday traffic pouring into the village down that road. Perhaps a mirror across the road so that people reversing out of the drive could see that the road is clear around the corner.

Dear Mr and Mrs Southcombe

I am sorry to hear that you are finding the Planning Explorer section of the Authority's website difficult to use. I have checked under the application reference and can confirm that the documentation is available. The link below will take you directly to the application form and plans submitted:

http://planning.northyorkmoors.org.uk/northgate/documentexplorer/application/folderview.aspx?type=NLP11GL1_DC_PLANAPP&key=815013&iWgrnzsWW4I=aH8Pp24Bn4U=

I have passed your initial comments on to the case officer Megan O'Mara, however please do not hesitate to forward any further comments you wish to make onto the Authority.

Yours sincerely

Thank you for your letter dates 28th June re NYM/2019/0416/FL. We tried looking for the details on the website (that was not that user friendly) but it appears not to have been uploaded.

Our main concern would be that we assume that the drive and dropped kerb would displace the two disabled parking spaces. These are the only spaces in the village for disabled drivers and I trust that provision is being made to relocate these places elsewhere. Incidentally these places are poorly policed and it is rare for us to see a genuine disabled driver use them.
