Good morning,

Having just spoken to Millie please can you ensure the below email chain (previously sent to Jill) is seen by Jill/Mark prior to the committee meeting on 5<sup>th</sup> as an update relating to the parking situation at the school.

Also, a point of clarification in the Officer's report, currently *only* the pre-school meet at the village hall. As a result of them wishing to relocate to the existing school, the reception and Year 1 class which are both currently at the school will be relocated to the purpose built classroom subject to the application. A minor point of clarification rather than a substantive issue.

Many thanks

Kind Regards,

Katie Atkinson (MRTPI)

Hi Jill

How are you? Hope you managed to enjoy some of the glorious bank holiday weather.

Prior to the committee meeting and in relation to the parking matters associated with the above application as previously discussed, please see an email from the adjacent landowner below confirming that he is willing to explore possibilities with the school to provide a solution.

*(please note contact details have been redacted but can be provided privately should you require them)*

Kind Regards,

Hi Mark,

I trust you are well, and enjoyed the rest of your holiday.

Further to our recent conversation I have spoken to my mother and brother, and informed them of the details we covered. Although I have not yet personally spoken to my father, he is fully aware of the situation. I can confirm the following: we are happy to allow access to the field for delivery of the school classroom, subject to written confirmation re. Liability for any damage to the field, hedge etc.

Furthermore, we are happy to work with the school to explore feasibility for semi-permanent parking to the field, perhaps for staff and/or visitors.

Happy to talk further - please continue to direct communication through me.

Many thanks Mark,

cheers

Chris
