Dear Mr Kipling

Demolition Works, Alterations and Construction of Single and Two Storey Extensions at 2 Fairhead Cottages, Fairhead Lane, Grosmont

In acknowledging receipt of the above application, I informed you that the target date for determination of the above application was 29 July 2019. Whilst every endeavour was made to reach a decision on your application within the statutory time unfortunately was not possible.

The reason why your application has not yet been decided is because of ongoing negotiations and revisions to the scheme. Consequently, the application is scheduled to be presented to Members at the October Planning Committee meeting. Further to the conversation between Miss Helen Webster and yourself, I am writing to ask you to formally agree to extend the period for deciding your application until **31 October 2019**.

Please indicate your agreement by signing and dating in the box at the foot of this page and returning it to me by 18 October 2019. Please retain a copy of my letter for your records.

For further information on extension of time agreements, please follow the link:
