Dear Mr Rayment

Conversion and Extension of Outbuilding to form Estate Office with Associated Parking and Landscaping Works at Church Houses Cottage, Mill Lane, Church Houses

In acknowledging receipt of the above application, I informed you that the target date for determination of the above application was 19 September 2019. Whilst every endeavour was made to reach a decision on your application within the statutory time unfortunately this was not possible.

The reason why your application has not yet been decided is because of the re-consultation period following receipt of amended plans. Further to the conversation between Miss Helen Webster and yourself, I am writing to ask you to formally agree to extend the period for deciding your application until **06 November 2019**. In order to achieve this new date for determination, the Authority intends to submit the application to its delegated list of applications for a decision.

Please indicate your agreement by signing and dating in the box at the foot of this page and returning it to me at your earliest convenience. Please retain a copy of my letter for your records.

For further information on extension of time agreements, please follow the link:
