Thank you for your application validated 18 November 2019, regarding the above.

I am writing, on behalf of the National Park Authority, to advise you that the amendments outlined above and as shown on the submitted plans have been approved, subject to the following provision:

1. The development hereby approved shall only be carried out in accordance with the specific amendment(s) for the reduction in width of the 3 no. windows on the ground floor of the rear elevation as shown on the following documents:

Document Description	Document No.	Date Received
