Please advise of CVC process...Stone approved informally by letter in 2013 so he'll not be aware of the change in process.

Thanks

Dear Mrs Teasdale,

It has taken me a lot longer than I'd originally anticipated but at last I'm ready to purchase roofing slates and I would like your approval please.

The slates I would like to use are the same as the ones recently approved on another development in Aislaby, for Mr David Catley of 21 Egton Road, ( NYM/2017/0374/FL ). These I believe are European and they do look and feel really good.

I do have a sample slate which I can bring to show you if required.

Attached here are some up to date pictures of the project. I'm very pleased with the results and it has received a lot of positive comments, I do hope you like it.

Thanks and regards,  
Paul Hogarth.

Dear Mrs Ward,

Thank you for approving the stone.

The garage door I would like to use is an electric remote controlled roller shutter type finished in "golden oak", I think it's a very attractive and practical door. Here is a link to this type door for sale on eBay:-

If you can check please and let me know your thoughts.

Many thanks.  
Paul Hogarth.
