**Notice of Decision of Planning Authority on Application for  
Permission to Carry out Development**

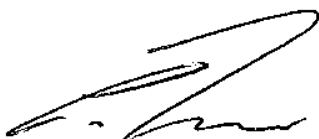

To Restek  
fao: Timothy Knight

The above named Authority being the Planning Authority for the purposes of your application validated 22 November 2019, in respect of **installation of replacement roof tiles, windows, doors, door surround and guttering (part retrospective) at 3 Bloomswell, Robin Hoods Bay** has considered your said application and has **refused** permission for the proposed development for the following reasons:

1. The replacement of the historical door surround with one of unsuitable proportions, colour and detailing constitutes significant harm to the character and appearance of the Listed Building and the Conservation Area. Due to the historic, evidential and aesthetic value of the previous door surround, its loss is considered to represent harm to the Listed Building and the Conservation Area. This application does not contain sufficient or convincing information to justify the replacement of the door surround or demonstrate any public benefit. The design of the replacement door surround fails to preserve or enhance the character and appearance of the Listed Building and Conservation Area and does not respect the existing architectural and historic context with reference to the form, scale proportions, design detailing and materials of traditional buildings. Therefore this element of the application is contrary to DP4, DP5, Section 16 of the NPPF and Sections 66 and 72 of the Planning (Listed Buildings and Conservation Areas) Act 1990.
2. The previous front door was finely detailed and held historic and aesthetic value and as such its loss constitutes harm to the Listed Building. The replacement door is of larger proportions and less finely detailed than the previous door and therefore does not respect the existing architectural and historic context of the building with reference to the form, colour, scale, proportions, design detailing and materials of traditional buildings. The application does not contain sufficient or convincing information to justify the need for and design of the replacement door or demonstrate any public benefit. As such, this element of the application is contrary to DP4, DP5 and Section 16, paragraph 196 of the NPPF.

**Please Note your Rights of Appeal are attached to this Decision Notice**

## **Householder Rights of Appeal**

- (1) If the applicant is aggrieved by the decision of the Local Planning Authority to refuse permission for householder development, they may appeal to the Secretary of State in accordance with Section 78 of the Town and Country Planning Act 1990. As this is a decision to refuse planning permission for a householder application, if you want to appeal against your Local Planning Authority's decision then you must do so within 12 weeks of the date of this notice. The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to the Secretary of State that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

- (2) If permission to develop land is refused, or granted subject to conditions, whether by the Local Planning Authority or by the Secretary of State, the owner of the land may claim that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the council of the county/district in which the land is situated a purchase notice requiring that council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

Note: If an aggrieved applicant wishes to exercise their right of appeal as above mentioned, they should do so using a form which you can get from the Secretary of State at:

**Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN**  
(Tel: 0303 444 00 00) or online at [www.planningportal.gov.uk/planning/appeals](http://www.planningportal.gov.uk/planning/appeals)

### **Notes**

1. Please note, only the applicant possesses the right of appeal.
2. If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against your Local Planning Authority's decision on your application, then you must do so within 28 days of the date of this notice.
3. If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your Local Planning Authority's decision on your application, then you must do so within: 28 days of the date of service of the enforcement notice, or within 6 months (12 weeks in the case of a householder appeal) of the date of this notice, whichever period expires earlier.
