Dear Sir Madam.

I enclose the non mains drainage form.  
Just to add to the information we have  
run our little 5 van ch site for nearly  
20 years using a septic tank which is  
emptied by Ray Owen waste contractor  
once or twice a year depending when full.  
The site has no main's drains.

Yours Sincerely

# NORTH YORK MOORS NATIONAL PARK

## NON MAINS DRAINAGE ASSESSMENT FORM

*This form must be completed if your planning application includes proposals to use non mains drainage. Please complete and return 4 copies with your Planning Application (to enable prompt consultation with the appropriate bodies).*

In order that the suitability of these proposals can be assessed, the following information is required. All the relevant information requested must be supplied. Failure to do so may result in the Environment Agency objecting to your proposals until such time as the information is received, which means that your application will either be refused or not determined.

Location of the application site Ellis Close Farm Howard Dale

1. Please indicate distance to nearest mains drainage Burniston 2 miles away

2. Number of Occupiers of proposed development:

Full Time \_\_\_\_\_

Part Time 5 caravan CL Site No more than 28 consecutive days at a time per caravan

3. Number of previous occupiers (if applicable) 5 caravan CL Site

4. What method of foul drainage is proposed (please tick the relevant box)

Septic Tank  Package Treatment Plant  Cess Pool

*If discharge to a soakaway is proposed please attach percolation test results, which should be carried out in accordance with BS 6297. You will need to have a percolation test carried out. For guidance on how to undertake this test, you may wish to seek advice from:*

The Environment Agency, Coverdale House, Aviator Court,  
Amy Johnson Way, Clifton Moor, York, YO3 4UZ.  
Tel: 01904 692296

*NB: If no results are provided, the Environment Agency may issue a prohibition notice preventing the use of the septic tank until such results are supplied.*

5. If a package treatment plant is proposed please supply details of plant manufacturer and model.  
*NB: A discharge consent may be required for discharge from a treatment plant to watercourse or soakaway. Please contact the Environment Agency for an application form if you have indicated that a treatment plant is to be installed.*

6. i) If a cess pool is proposed please indicate why this method has been chosen in preference to an alternative such as a package treatment plant or septic tank \_\_\_\_\_

ii) Please advise capacity of cess pool (minimum size 18 cubic metres) \_\_\_\_\_
