Dear Jill

We spoke several times last week regarding the following planning application in Staintondale : NYM/2020/0022/FL.

Could you please confirm that I am correct in my understanding of the application from our conversations.

1. The log cabin will not be increased in size. In fact it is actually going to be slightly lower than the original application.
2. The shed will be reduced in depth by roughly a half but will retain the two door front.
3. The parking area will change slightly to incorporate the area roughly where the old caravan now sits.
4. There are no changes to the allowed usage of the site.

Many thanks,

Kelsall McEwen
