9. Failed to give notice of its decision within the appropriate period because of a dispute over provision of local list documentation.

## G. CHOICE OF PROCEDURE

There are three different procedures that the appeal could follow. Please select one.

1. Written Representations

2. Hearing

You must give detailed reasons below or in a separate document why you think a hearing is necessary. The reasons are set out in

the box below

A hearing will be able to provide round table discussions between each of the parties / stakeholders to give full clarity to the issues. Spaunton Quarry is an extensive tract of land subject to a Restoration Plan which has largely been completed. Parts of the quarry are common land. This current appeal scheme is for agricultural buildings on a limited area of the former quarry. A further appeal has been made for a small scale leisure use on an alternative part of the quarry (appeal reference APP/W9500/W/19/3243322)

It is proposed that a hearing will be able to consider each of the two appeal proposals in an effective process and one site visit carried out. The matters of common land (which are the same for each of the appeal schemes) can be appropriately clarified.

3. Inquiry
