NYM2020/0100/FL - Hobbin Head, Sleights

Dear Ailsa

Please find attached our site plan indicating potential parking on site following completion of the proposed extension.

With regard the use reuse of existing stone I confirm it is my Clients intention to make full use of existing stone following demolition of the existing single storey wing, and I ask you note that it is intended the work be carried out by Robert Harrison and Sons of Glaisdale who are extremely experienced in the use of natural stone in the locality.

Regards

Steve McGivern
