Subject: Comments on NYM/2020/0142/NM - Case Officer Miss Kelsey Blain - Received from Building Conservation at The Old Vicarage, Bondgate, Helmsley, York, YO62 5BP, via email: building@northyorkmoors.org.uk
Date: 17 March 2020 15:01:43

Although the proposed roof slate is not of traditional proportions, it is to replace modern concrete tiles and as such it is considered that the use of the tile is unlikely to harm the character of the wider Conservation Area.

It would also be beneficial if the current white fascia boarding was painted black. Whilst i appreciate this does not form part of the works being applied for, it would further enhance the appearance of the property and help minimise the visual impact of this non-traditional feature.
