Subject: Comments on NYM/2020/0061/LB - Case Officer Miss Kelsey Blain - Received from Building Conservation at The Old Vicarage, Bondgate, Helmsley, York, YO62 5BP,

It is clear that the existing boundary fence, gate and handrail is of modern construction being of relatively basic appearance and construction. It is also in a poor state of repair.

Evidence has been submitted with the application showing historic photos of the property and the boundary fence dating back to the Victorian era and as such the applicants desire to reproduce the details of this time are supported. As such, the proposal is considered to enhance the significance of this heritage asset which would make a positive contribution to local character and distinctiveness, in accordance with para.192 of the NPPF.
