Dear Mrs Clissold

## Verification check of condition 8 of planning approval NYM/2019/0398/FL at Valley View, Golden Grove, Whitby

I refer to the above application and the information received by the National Park Authority on 5 March 2020 requesting clearance of condition 8 attached to planning permission NYM/2019/0398/FL which reads as follows:

*No provision of services including electric, sewage, telephone and water shall be installed in the development hereby permitted until details have been submitted to and approved in writing by the Local Planning Authority. The services shall be installed in accordance with the details so approved and shall be maintained in that condition in perpetuity.*

I can confirm that the following details are acceptable to the Authority:

- The installation of a Klargestar BioTec L6 package treatment plant as specified in your email of 25 February 2020 to be discharged to a soakaway;
- The site plan showing the route of the water supply pipe and electricity supply received on 26 March 2020;
- The site plan showing the proposed soakaway to the package treatment plant approved above.

As required by the condition all services shall be installed in accordance with the approved details which includes the manufacturer's specifications and shall be maintained in that condition in perpetuity.

Yours sincerely
