Subject: Lodge Hill Farm, Egton Grange NYM/2020/0294/FL

Dear Ailish,

I refer to our earlier conversation and can now advise that I have spoken with the Estates Director at Mulgrave. He has advised that Butter Park Farm is to have its own borehole installed and that the existing spring supply will be for the sole use of Lodge Hill Farm. As previously discussed the existing spring supply is well-maintained and regular samples are taken to ensure that the water supply is safe for use.

I trust this answers your questions.

Kind regards

Erica
