

Planning (Listed Buildings and Conservation Areas) Act 1990
North York Moors National Park Authority

**Notice of Decision of Planning Authority on Application for
Listed Building Consent**

To: Mr & Mrs P & C Webster
c/o BHD Partnership
Airy Hill Manor
Waterstead Lane
Whitby
YO21 1QB

The above named Authority being the Planning Authority for the purposes of your application validated 30 March 2020, in respect of the proposed **construction of single storey extension at Rose Cottage, Thorpe Green Bank, Fylingthorpe** has considered your said application and has **granted** consent in respect of the proposed works subject to the following conditions:

1. The development hereby permitted shall be commenced before the expiration of three years from the date of this permission.
2. The development hereby permitted shall not be carried out other than in strict accordance with the following documents:

Document Description	Document No.	Date Received
Location Plan & Block Plan	D11361-01 rev A	10 March 2020
Proposed Plans & Elevations	D11361-11 rev C	05 May 2020

or in accordance with any minor variation thereof that may be approved in writing by the Local Planning Authority.

3. No work shall commence on the walls of the development hereby approved until a sample of the materials to be used in the construction of the external surfaces shall have been prepared on site for inspection and approved in writing by the Local Planning Authority. A sample panel showing the construction materials shall be at least 1 metre x 1 metre and show the proposed material, coursing, jointing, method of tooling (if necessary), bond, mortar, pointing technique. A palette of other materials to be used in the development (including roofing, water tabling, new lintels and cills, cladding and render if necessary) shall also be made available. The development shall be constructed in accordance with the approved sample(s), which shall not be removed from the site until completion of the development.
4. All pointing in the development hereby permitted shall accord with a specification which has been approved in writing by the Local Planning Authority. The mortar mix proposed should be based on a typical mix of a non-hydraulic quicklime mortar mixed at a ratio of 1:3 (dry non-hydraulic quicklime: sand) and include the method of application and finish. The pointing shall thereafter be so maintained unless otherwise agreed in writing by the Local Planning Authority.
5. No work shall commence on the installation of any windows or doors in the development hereby approved until detailed plans showing the constructional details and external appearance of all external windows, doors and frames (including glazing) have been submitted to and approved in writing by the Local Planning Authority. Such plans should indicate, on a scale of not less than 1:20, the longitudinal and cross sectional detailing including means of opening. All windows/doors shall be installed in accordance with the details so approved and shall be maintained in that condition in perpetuity unless otherwise agreed in writing with the Local Planning Authority.

Continued/Conditions

Mr C M France
Director of Planning

Date 22 May 2020

Please Note your Rights of Appeal are attached to this Decision Notice

6. Details of the proposed internal treatment to the original rear wall of the main house to be submitted and approved in writing by the Local Planning Authority.

Informatives

1. Planning permission has also been granted for this development. You are advised to obtain sight of the notice of planning permission reference NYM/2020/0173/FL and the approved plans and ensure that the development is carried out strictly in accordance with the approved plans and the terms and conditions of the planning permission.
2. All bats and their roosts are fully protected under the Wildlife and Countryside Act 1981 (as amended by the Countryside and Rights of Way Act 2000) and are further protected under Regulation 39(1) of the Conservation (Natural Habitats etc.) Regulations 1994. Should any bats or evidence of bats be found prior to or during development, work must stop immediately and Natural England contacted on 0300 060 3900 for further advice. This is a legal requirement under the Wildlife and Countryside Act 1981 (as amended) and applies to whoever carries out the work. All contractors on site should be made aware of this requirement and given information to contact Natural England or the Bat Conservation Trust national helpline on 0845 1300 228.

Reasons for Conditions

1. To ensure compliance with Sections 18(1) of the Planning (Listed Buildings and Conservation Areas) Act 1990 as amended.
2. For the avoidance of doubt and to ensure that the details of the development comply with the provisions of NYM Core Policy A and NYM Development Policy 3, which seek to conserve and enhance the special qualities of the NYM National Park.
- 3 – 6. For the avoidance of doubt and in order to comply with the provisions of NYM Development Policy 5 which seek to ensure that alterations to Listed Buildings do not have any unacceptable impact on the special architectural or historic interest of the building.

Explanation of how the Authority has Worked Positively with the Applicant/Agent

The Local Planning Authority has acted positively and proactively in determining this application by identifying matters of concern within the application (as originally submitted) and negotiating, with the Applicant, acceptable amendments to the proposal to address those concerns. As a result, the Local Planning Authority has been able to grant planning permission for an acceptable proposal, in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.

Mr C M France
Director of Planning

Date 22 May 2020

Notes

1. No consent, permission or approval hereby given absolves the applicant from the necessity of obtaining the approval, under the Building Regulations, of the District Council in whose area the site of the proposed development is situated; or of obtaining approval under any other Bye-Laws, local Acts, orders, regulations and statutory provisions in force; and no part of the proposed development should be commenced until further approval has been obtained.
2. Attention is drawn to Section 8 (2)(C) of the Planning (Listed Buildings and Conservation Areas) Act 1990, the effect of which is that demolition of a Listed Building may not be undertaken (despite the terms of the consent granted by the Local Planning Authority) until notice of the proposal has been given to English Heritage, Architectural Investigation Section, 37 Tanner Row, York, YO1 6WP, and they subsequently have either been given reasonable access to the building for at least one month following the grant of consent, or have stated that they have completed their record of the building or that they do not wish to record it.
3. (a) If the applicant is aggrieved by the decision of the Local Planning Authority to refuse Listed Building consent, for the proposed works, or to grant consent subject to conditions, they may appeal to the Secretary of State in accordance with Sections 20 and 21 of the Planning (Listed Buildings and Conservation Areas) Act 1990 within six months of the date of this notice. The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
(b) If Listed Building consent is refused, or granted subject to conditions, whether by the Local Planning Authority or by the Secretary of State, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any works which have been or would be permitted, they may serve on the council of the county/district a purchase notice requiring that council to purchase his interest in the land in accordance with the provision of Section 32 of the Planning (Listed Buildings and Conservation Areas) Act 1990.
(c) In certain circumstances a claim may be made against the Local Planning Authority for compensation where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in Section 27 of the Planning (Listed Buildings and Conservation Areas) Act 1990.

Note: If an aggrieved applicant wishes to exercise their right of appeal as above mentioned, they should do so using a form which you can get from the Secretary of State at:

Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN (Tel: 0303 444 00 00) or online at www.planningportal.gov.uk/planning/appeals

4. Please note, only the applicant possesses the right of appeal.
5. In your own interests your attention is particularly drawn to the conditions under which approval has been given to your proposals. Failure to comply fully with the conditions could lead to enforcement action resulting in work already done being demolished or prosecution in Magistrates' Court.
7. If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against your Local Planning Authority's decision on your application, then you must do so within 28 days of the date of this notice.
8. If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your Local Planning Authority's decision on your application, then you must do so within: 28 days of the date of service of the enforcement notice, or within 6 months (12 weeks in the case of a householder appeal) of the date of this notice, whichever period expires earlier.
