Morning Wendy hope you are all safe and well,thank you for your email regarding the above application I'm sorry l didn't make it clear on the application but l have explained to my clients that with the proposed building being part of the main property l felt that it would have to be tied to the main house as an annex and they were happy with this so could we treat this application as an annex to form living accommodation for my clients mother. If you require any further information just let me know and l will get straight back to you Kind Regards Eric
