Subject: Comments on NYM/2020/0484/CVC - Case Officer Miss Helen Webster - Received from Building Conservation at The Old Vicarage, Bondgate, Helmsley, York, YO62 5BP, via email:

The information provided outlines a conservation-led approach to the paint removal, re-pointing and lime washing. I note however several methods are stated for the removal of the paint dependant on how well each method works. If further advice is needed on this and the condition of the brickwork underneath, then please ask for a site visit to discuss. Likewise for the repointing - please can a sample area be provided on site once the contractor is at this stage.
