Dear Mrs Roberts

Trees in Conservation Area – Victory Mill, Thornton le Dale

Thank you for the notification of your intention to carry out work to ash trees at Victory Mill, which was received by this office on 6 August 2020.

I can confirm that the North York Moors National Park Authority has no objection to the following work:

Tree D	Ash	Fell
Area E	Ash	Fell (partly within Conservation Area)
Area F	Ash	Fell
Tree G	Ash	Fell
Reasons for consent		
Trees are at varying stages of ash dieback disease, for those trees that are not at this stage dangerous the early removal will allow adjacent trees of other species to receive more light to improve their growth rate and form.		

Given that some of the trees could be considered dangerous as the dieback is quite advanced all the trees may be removed at your earliest convenience. Given the density of existing trees in the area there is no requirement to plant replacement trees.

If you have any queries, or require any further information, please do not hesitate to contact me.

Yours sincerely

Mark Antcliff
Woodland Officer
