Hi Hilary

Thank you for your speedy response.

I do not think that we will go ahead with the Shepherd huts on the site only the Bell Tents for the foreseeable future.

Please would you provide the information regarding the water supply and we will happily have this tested.

Parking for Alum House has 4 car park spaces to the front of the house near the barns.

The campers will be parking on a flat area of grass which was originally used as a road to the house, this has hardstanding with has been grassed, this is flat ground.

I hope this helps and look forward to your reply?

Many thanks

Michelle
