Application for replacement single storey side extension (revised scheme to withdrawn application NYM/2020/0576/FL) at Hazelwood, Hood Lane, Cloughton

The above application has been considered by Cloughton Parish Council. Council has no objection to the principle of the application. However it is concerned that there is no mention of the proposed "media room" having any additional sound proofing to prevent sound carrying directly or by vibration to the outside - it is considered essential that such soundproofing is installed.
