## Consultations

**Parish** – 13/8/2020 - No objection

**Advertisement Expiry Date** – 2 September 2020

---

**Application Number: NYM/2020/0519/LB**

---

**Background**

Lowdales Cottage is a Grade II Listed Building comprising an already extended stone and pantile cottage, and a detached stone and pantile double garage and domestic workshop building, 2.5m to the north of the existing house, granted planning permission in 2009.

This application seeks listed building consent for external alterations to enable the garage building to be used as a home office.

---

**Application Number: NYM/2020/0519/LB**

---

It is proposed to replace the existing link from the outbuilding to the sun room with matching green oak with a pitched roof finished in lead and following the pitch of the adjoining pergola. It is also proposed to replace the garage door with timber framed glazing.

It is also proposed to utilise a large and mainly redundant log store to provide household storage. It would have an internal timber frame and roof similar and matching the summer house. Externally it would have shown oak boarded doors and some oak cladding over reused dry stone walling.

There is an associated planning application

**Main Issues****Local Plan**

**Strategic Policy I - The Historic Environment** - seeks to ensure that developments affecting the historic environment should make a positive contribution to the cultural heritage and local distinctiveness of the National Park and that development should conserve heritage assets and their setting in a manner appropriate to their significance, especially those assets which contribute most to the distinctive character of the area.

**Material Considerations**

The proposed alterations to the dwelling and outbuildings would not have a detrimental impact on the character of the host listed building or its setting and the additional storage space would be provided within an existing building.

**Conclusion**

The proposal is considered to be in accordance with Policy CO17 and Strategic Policy I of the Local Plan and consequently approval is now recommended.

**Pre-commencement Conditions**

N/A

**Explanation of how the Authority has Worked Positively with the Applicant/Agent****Approval (No Amendments Required)**

The Authority's Officers have appraised the scheme against the Development Plan and other material considerations and confirmed to the applicant/agent that the development is likely to improve the economic, social and environmental conditions of the area.
