Dear Mr Shepherdson

Application for verification check of condition 3 of planning approval NYM/2017/0650/FL at Ewefield House, Browside, Ravenscar

I refer to the details submitted in relation to the above verification check which was registered on 13 October 2020.

I have now had the opportunity to assess the details submitted and would advise you that whilst your employment may bring you into the National Park, your employment as an electrician in and around Scarborough along with some part time farm conservation work around Ravenscar, and your partners employment at Malton hospital would **not comply** with condition 3 above which states that to comply due to employment you would:-

“need to live in the National Park as a result of current sole employment within that parish or adjacent parishes within the National Park.”

I trust that the above advice is of assistance, but if you have any further queries please don't hesitate to contact Hilary Saunders (Planning Team Leader) at the above address.

Yours Sincerely
