### Delivery

The VELUX conservation range of roof windows are classic windows that blend tastefully into the roof of your old building with a vertical centre bar and black finish exterior. These windows have all the great features and superior insulation of our standard roof windows, making them the perfect choice for your renovation project.

- Centre-pivot opening
- One pull of the top control bar allows background ventilation, one further pull opens the window
- Black external profiles and glazing bar.
- Rotate 180° and lock in place for cleaning of outer pane

100w BC Globe Lantern - Black

GL/BS100

## Globe Lantern 100w BC Black

Polycarbonate with smoked lens

A comprehensive range of beautifully designed  
vandal resistant polycarbonate lanterns made in the UK.

The elegant designs are built to last thanks to their shatterproof polycarbonate construction which is vandal and weather resistant (IP44) and will not suffer from paint peel problems which makes them suitable for use in coastal areas where salt corrosion is prevalent.

**Dimensions:**  
Height: 380mm.  
Projection: 280mm.
