Dear Mr Mark Wilson

Application for verification check of conditions 6 and 7 of planning approval NYM/2020/0207/FL at South Beck House, Hackness Road, Scalby

Thank you for your application to confirm the details of your earlier planning permission for the windows.

I am pleased to advise you that the use of black powder coated aluminium heritage crittal windows in the development is acceptable to the Local Planning Authority.

The development should accord in all other respects with the approved drawings and previously imposed condition.

Following the Government's announcement of a lockdown through November the offices in Helmsley are closed for public access though the reception will still be staffed to take telephone calls. Whilst the Planning Department will continue to deliver our services remotely, unfortunately during this period we are unable to offer face to face meetings though advice can still be provided by telephone, email or through video meetings (in the case of pre-application advice this will be subject to the normal fees).

Should you have any further questions, please do not hesitate to contact the Authority.

Yours sincerely

Mr Mark Hill
Head of Development Management
