Dear Mr A Martin

Application for verification check of condition 3 and 6 of planning approval NYM/2016/0770/FL at Northcliffe Holiday Park, Bottoms Lane, High Hawsker

I refer to the details submitted in relation to the above verification check which was registered on 12 November 2020.

Having assessed the details submitted and consulted with the Authority's Dark Skies Officer, I would advise you as follows in relation to each condition:-

Condition 3 – Lighting – Refused. Artificial light at night should be only used for purposes of health and safety, security and wellbeing. Even then, light should be used in a way that is sympathetic to the night time environment including fully shielded (zero upward light) well controlled fixtures (timers/sensors) at an appropriate colour temperature ($\leq 3000\text{k}$). The permanent lighting of recreational facilities for use at night in a National Park and International Dark Sky Reserve doesn't meet those purposes.

Condition 6 – Crazy Golf details – Discharged.

I trust that the above advice is of assistance, but if you have any further queries please don't hesitate to contact Hilary Saunders (Planning Team Leader) at the above address.

Yours Sincerely

A handwritten signature in black ink, appearing to read 'C M France'.

Mr C M France
Director of Planning
