4. Site Area		
What is the measurem (numeric characters or	ent of the site area? 420.00	
Unit	Sq. metres	
5. Description of	the Proposal	
Please describe details	s of the proposed development or works including any cl	ange of use.
If you are applying for below.	Technical Details Consent on a site that has been grante	d Permission In Principle, please include the relevant details in the description
change of use of comr	nmercial cafe to create additional domestic living space	and 1-bedroom holiday letting accomodation.
Has the work or chang	e of use already started?	

6. Existing Use Please describe the current use of the site					
commerical cafe - currently closed					
Is the site currently vacant?					
Does the proposal involve any of the following? If Yes, you will need to subr	nit an appropriate contamination assessment with your application.				
Land which is known to be contaminated					
Land where contamination is suspected for all or part of the site	◯ Yes ● No				
A proposed use that would be particularly vulnerable to the presence of contamin	ation				
7. Materials					
Does the proposed development require any materials to be used externally?	● Yes				
Please provide a description of existing and proposed materials and finisher	s to be used externally (including type, colour and name for each material):				
Walls					
Description of existing materials and finishes (optional):	painted blockwork				
Description of proposed materials and finishes:	larch cladding as previously apporved				
Windows					
Description of existing materials and finishes (optional):	painted timber				
Description of proposed materials and finishes:	painted timber and aluminium				
Other Rooflights					
Description of existing materials and finishes (optional):	Velux Rooflights				
Description of proposed materials and finishes:	Conservation Rooflights by the Rooflight Company				
Are you supplying additional information on submitted plans, drawings or a design and access statement?					
If Yes, please state references for the plans, drawings and/or design and access statement					
2029-401-407 proposed drawings 2029-DAS design and access statement					
8. Pedestrian and Vehicle Access, Roads and Rights of Way					
Is a new or altered vehicular access proposed to or from the public highway?					
Is a new or altered pedestrian access proposed to or from the public highway?	⊋Yes ⊚ No				
Are there any new public roads to be provided within the site?	⊋Yes ● No				
Are there any new public rights of way to be provided within or adjacent to the site	e? QYes • No				
Do the proposals require any diversions/extinguishments and/or creation of rights	of way? □ Yes □ No				

Does the site have any existing vehicle/cycle parking spaces or will the proposed development add/remove any parking Yes No spaces? Please provide information on the existing and proposed number of on-site parking spaces Type of vehicle					
Type of vehicle Existing number of spaces Total proposed (including spaces retained) Difference in spaces 20 20 0 10. Trees and Hedges Are there trees or hedges on the proposed development site? And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the development or might be important as part of the local landscape character? If yes to either or both of the above, you may need to provide a full tree survey, at the discretion of your local planning authority. If a tree survey is required, this and the accompanying plan should be submitted alongside your application. Your local planning authority should make clear on its Recommendations. 11. Assessment of Flood Risk Is the site within an area at risk of flooding? (Check the location on the Government's Flood map for planning.
