Good Afternoon Clair

Firstly I hope you are keeping safe and well.

Rose Cottage, 2 Egton Road, Aisaby, Whitby YO21 1SU

Secondly, my joiner has sent me some better images of the windows we are proposing to install at Rose Cottage, subject of course to receiving planning permission and Listed Building consent. I am therefore sending you these informally as they were not included in the pack of documents enclosed with the application, but I felt that they might be useful for information purposes.

If you require any additional information please do not hesitate to contact me.

Regards

Patrick Brady
