Subject: Application for Listed Building consent and planning permission for installation of 7 no. timber windows at Rose Cottage 2 Egton Road Aislaby

Your ref: NYM/2021/0015/FL

NYM/2021/0016/LB

Dear Miss Blain

Many thanks for your email and attached letter dated **29th January 2021** with regard to the above.

My response to the two issues you have raised is as follows:

Firstly, in terms of the addition of the **simple bead detail** to the frames of all the casement windows and also the central mullion of the double casement window on the eastern elevation (FF), would a groove etched in the timber by the manufacturer, as proposed with the sliding sash boxes on the front southern elevation be acceptable?

Secondly, we are perfectly happy to use a **traditional fastener** similar to the style shown on the diagram attached to your letter.

I now look forward to hearing from you in due course.

Best wishes

Patrick Brady
