F.A.O. Mrs Jill Bastow.

Dear Jill, In response to your letter dated 4th February 2021, i confirm my agreement to an Extension of Time to the application determination period up until the 26th February 2021.

In respect of the Shepherds Hut, the submitted detail is for the larger size Unit. If the applicant's opt to just re-locate the present Unit then it will be slightly smaller at 3.95 x 2.12m.

The Hut will be set upon a hardstanding of rolled aggregate similar to the Motor Home pitches. Timber decking has not proved to be a success & is not proposed on this occasion.

yours sincerely, Mike Punchard.
