Permission to Carry out Development**

5. No work shall commence on the development hereby approved until a sample of the materials to be used in the construction of the external surfaces shall have been prepared on site for inspection and approved in writing by the Local Planning Authority. A sample panel showing the construction materials shall be at least 1 metre x 1 metre and show the proposed material, coursing, jointing, method of tooling (if necessary), bond, mortar, pointing technique. A palette of other materials to be used in the development (including roofing, water tabling, new lintels and cills, cladding and render if necessary) shall also be made available. The development shall be constructed in accordance with the approved sample(s), which shall not be removed from the site until completion of the development.
6. All pointing in the development hereby permitted shall accord with a specification which has been approved in writing by the Local Planning Authority. The mortar mix proposed should be based on a typical mix of a non-hydraulic quicklime mortar mixed at a ratio of 1:3 (dry non-hydraulic quicklime: sand) and include the method of application and finish. A sample area may also be required by the Local Planning Authority. The pointing shall thereafter be so maintained unless otherwise agreed in writing by the Local Planning Authority.
7. No work shall commence on the installation of any windows or doors in the development hereby approved until detailed plans showing the constructional details and external appearance of all external windows, doors and frames (including glazing) have been submitted to and approved in writing by the Local Planning Authority. Such plans should indicate, on a scale of not less than 1:20, the longitudinal and cross sectional detailing including means of opening. All windows/doors shall be installed in accordance with the details so approved and shall be maintained in that condition in perpetuity unless otherwise agreed in writing with the Local Planning Authority.
8. No work shall commence on the installation of any external fixtures to the building to which this permission/consent relates until details of all external fixtures have been submitted to and approved in writing by the Local Planning Authority. The details should include for provision for any exterior fittings including but not limited to lighting, meter boxes, alarm fittings, security cameras, cabling, signage, wall or roof flues, television antennae and satellite dishes that may be proposed to be installed. The external fixtures shall be installed wholly in accordance with the approved details.

**Informative(s)**

1. These works may include replacing part of the edges to the existing highway to the proper line and level. You are advised that a separate licence will be required from the Highway Authority in order to allow any works in the adopted highway to be carried out. The local office of the Highway Authority will also be pleased to provide the detailed construction specification referred to in this informative.
2. You are advised to ensure that any doors and windows on elevations of the building(s) adjacent to the existing and or proposed highway are constructed and installed such that they do not open over the public highway for a height of 2.4 metres from the level of the adjacent highway. Above 2.4 metres no part of an open door or window must come within 0.5 metres of the carriageway. Any future replacement doors and windows should also comply with these dimensions
3. All bats and their roosts are fully protected under the Wildlife and Countryside Act 1981 (as amended by the Countryside and Rights of Way Act 2000) and are further protected under Regulation 39(1) of the Conservation (Natural Habitats etc.) Regulations 1994. Should any bats or evidence of bats be found prior to or during development, work must stop immediately and Natural England contacted on 0300 060 3900 for further advice. This is a legal requirement under the Wildlife and Countryside Act 1981 (as amended) and applies to whoever carries out the work. All contractors on site should be made aware of this requirement and given information to contact Natural England or the Bat Conservation Trust national helpline on 0845 1300 228.
4. Listed Building consent has also been granted for this development. You are advised to obtain sight of the notice of Listed Building Consent NYM/2020/1009/LB and the approved plans and ensure that the development is carried out strictly in accordance with the approved plans and the terms and conditions of the Listed Building consent.
5. The premises must comply with relevant health and safety legislation and codes of good practice. The design and layout and selection of materials used in construction should be such as to minimise health and safety risks. (Duties are set out in the Construction (Design and Management) Regulations 2015.
6. If the shop is used to sell or prepare food and drink then these areas must comply with the provisions of current food safety legislation and register as a food business. (You are advised to seek advice from the Environmental Health Office).

**Reason(s) for Condition(s)**

1. To ensure compliance with Sections 91 to 94 of the Town and Country Planning Act 1990 as amended.

2. For the avoidance of doubt and to ensure that the details of the development comply with the provisions of NYM Strategic Policies A and C which seek to conserve and enhance the special qualities of the NYM National Park.
3. In order to enable the Local Planning Authority to retain control over future changes of use to the property which would otherwise be permitted by the Town and Country Planning (Use Classes) Order 2010 (or in any provision equivalent to that Class in any statutory instrument revoking and re-enacting that Order) or the Town and Country Planning (General Permitted Development) Order 2015 (or any order revoking and re-enacting that Order), and to comply with the provisions of Strategic Policies A and C of the North York Moors Local Plan , which seek to enhance and conserve the special qualities of the National Park and ensure that development does not have an adverse effect on the amenities of adjoining occupiers.
4. In order to comply with the provisions of NYM Strategic Policy A which seeks to ensure that new development does not detract from the quality of life of local residents and in accordance with Local Plan Policy ENV4 which seeks to protect dark night skies.
- 5 & 6. For the avoidance of doubt and in order to comply with the provisions of NYM Local Plan Policies A and C which seek to ensure that building materials are of a high quality and compatible with the character of the locality and that the special qualities of the National Park are safeguarded.
- 7 – 8. For the avoidance of doubt and in order to comply with the provisions of NYM Strategic Policies A and C which seek to ensure that the appearance of the development is compatible with the character of the locality and that the special qualities of the National Park are safeguarded.

**Explanation of how the Authority has Worked Positively with the Applicant/Agent**

The Local Planning Authority has acted positively and proactively in determining this application by identifying matters of concern within the application (as originally submitted) and negotiating, with the Applicant, acceptable amendments to the proposal to address those concerns. As a result, the Local Planning Authority has been able to grant planning permission for an acceptable proposal, in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.

## Rights of Appeal

- (1) If the applicant is aggrieved by the decision of the Local Planning Authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, they may appeal to the Secretary of State of Department of Communities and Local Government in accordance with Section 78 of the Town and Country Planning Act 1990, within six months of the date of this notice (12 weeks in the case of a minor commercial application). The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to the Secretary of State that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

- (2) If permission to develop land is refused, or granted subject to conditions, whether by the Local Planning Authority or by the Secretary of State, the owner of the land may claim that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the council of the county/district in which the land is situated a purchase notice requiring that council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

Note: If an aggrieved applicant wishes to exercise their right of appeal as above mentioned, they should do so using a form which you can get from the Secretary of State at:

**Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN (Tel: 0303 444 00 00) or online at [www.planningportal.gov.uk/planning/appeals](http://www.planningportal.gov.uk/planning/appeals)**

### Notes

1. Please note, only the applicant possesses the right of appeal.
2. No consent, permission or approval hereby given absolves the applicant from the necessity of obtaining the approval, under the Building Regulations, of the District Council in whose area the site of the proposed Development is situated; or of obtaining approval under any other Bye-Laws, local Acts, orders, regulations and statutory provisions in force; and no part of the proposed development should be commenced until such further approval has been obtained.
3. In your own interests your attention is particularly drawn to the conditions under which approval has been given to your proposals. Failure to comply fully with the conditions could lead to enforcement action resulting in work already done being demolished or prosecution in Magistrates' Court.
4. If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against your Local Planning Authority's decision on your application, then you must do so within 28 days of the date of this notice.
5. If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your Local Planning Authority's decision on your application, then you must do so within: 28 days of the date of service of the enforcement notice, or within 6 months (12 weeks in the case of a householder appeal) of the date of this notice, whichever period expires earlier.
