Dear Mrs Barstow,

Many thanks for your letter dated 14th December 2020 regarding the above referenced planning application.

Owing to Covid travel restrictions, I'm afraid I have been unable to attend my property of 2, Warley Cottage, Albion Road and haven't had the opportunity to pick up your letter until yesterday. Hence my delayed response to your owner / occupier notification.

I have viewed the electronic details. However, I am unsure as to where exactly the replacement extractor flue is to be relocated.
Also, what the replacement extractor specification is likely to involve.

I have concerns about the effectiveness and efficiencies of the replacement extractor and the reduction of existing unpleasant emissions.

I would be very grateful if you could contact me.

I look forward to hearing from you.

Yours sincerely,

Mrs S J Shackleton
