The above named Authority being the Planning Authority for the purposes of your application validated 26 January 2021, in respect of proposed development for the purposes of **erection of Moorsweb community internet mast with ancillary equipment (max height 5 metres)** at **land near High Straggleton Farm, Sandsend Road, Sandsend**, has considered your application and has **granted** permission for the proposed development subject to the following:

Condition(s):

1. The development hereby permitted shall be commenced before the expiration of three years from the date of this permission.
2. The permission hereby granted is valid only for ten years from the date of this permission and the development shall be removed from the site before this consent expires and the site restored to its former condition before that date.
3. The development hereby approved shall be only carried out in strict accordance with the detailed specifications and plans comprised in the application hereby approved or in accordance with any minor variation thereof that may be approved by the Local Planning Authority.
4. If the mast and ancillary equipment is no longer required it shall be removed from the land within 6 months of the use ceasing. The land shall as far as practicable be returned to its former condition before development took place within three months of the mast being removed, unless otherwise agreed in writing with the Local Planning Authority.

Continued/Reasons for Conditions

Please Note your Rights of Appeal are attached to this Decision Notice

**Town and Country Planning Act 1990
North York Moors National Park Authority**

**Notice of Decision of Planning Authority on Application for
Permission to Carry out Development
Rights of Appeal**

- (1) If the applicant is aggrieved by the decision of the Local Planning Authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, they may appeal to the Secretary of State of Department of Communities and Local Government in accordance with Section 78 of the Town and Country Planning Act 1990, within six months of the date of this notice (12 weeks in the case of a minor commercial application). The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to the Secretary of State that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

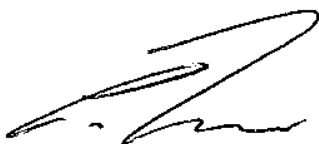

- (2) If permission to develop land is refused, or granted subject to conditions, whether by the Local Planning Authority or by the Secretary of State, the owner of the land may claim that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the council of the county/district in which the land is situated a purchase notice requiring that council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

Note: If an aggrieved applicant wishes to exercise their right of appeal as above mentioned, they should do so using a form which you can get from the Secretary of State at:

Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN (Tel: 0303 444 00 00) or online at www.planningportal.gov.uk/planning/appeals

Notes

1. Please note, only the applicant possesses the right of appeal.
2. No consent, permission or approval hereby given absolves the applicant from the necessity of obtaining the approval, under the Building Regulations, of the District Council in whose area the site of the proposed Development is situated; or of obtaining approval under any other Bye-Laws, local Acts, orders, regulations and statutory provisions in force; and no part of the proposed development should be commenced until such further approval has been obtained.

3. In your own interests your attention is particularly drawn to the conditions under which approval has been given to your proposals. Failure to comply fully with the conditions could lead to enforcement action resulting in work already done being demolished or prosecution in Magistrates' Court.
4. If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against your Local Planning Authority's decision on your application, then you must do so within 28 days of the date of this notice.
5. If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your Local Planning Authority's decision on your application, then you must do so within: 28 days of the date of service of the enforcement notice, or within 6 months (12 weeks in the case of a householder appeal) of the date of this notice, whichever period expires earlier.
