Dear Sir/Madam,

**Hare And Hounds Inn, High Hawsker - Application for verification check of condition 15 (foul and surface water drainage) of planning approval NYM/2017/0859/FL**

Thank you for consulting Yorkshire Water regarding the above proposed development. We have the following comments:

**Waste Water**

Yorkshire Water has no objection to the discharge of condition 15.

Drawing D11168-13 (revision B) dated 24/02/21 prepared by bhd partnership indicates foul water will discharge to public foul sewer, and surface water to discharge to watercourse via soakaway.

Yours faithfully
