Fylingdales Parish Council has no objections to this application as the site is a mess and does need improvement - it is hoped that this new plan will help. What happened to the shrub planting that was due to be planted under the previous application.

Hello all,

Regarding comments on planning applications. Due to the "mourning" period the Parish Council has been caught by not being able to put out our summons for the usual April meeting. This will now take place on the 28th April so we cannot put our comments in to you. Fylingdales PC cannot be the only Council in this situation so I hope we can make delayed comments.

Regards,
Jane Mortimer
Chairman

Thank you for your consultation.

Natural England currently has no comment to make on the variation of condition 2.

Should the proposal be amended in a way which significantly affects its impact on the natural environment then, in accordance with Section 4 of the Natural Environment and Rural Communities Act 2006, Natural England should be consulted again. Before sending us any further consultations regarding this development, please assess whether the changes proposed will materially affect any of the advice we have previously offered.
