Hi Wendy,

I was not aware there was a difference in that.

The answer probably will mean approval is required because whilst our client will be carrying out work as much as possible they will be employing sub-contractors as required.

Kind regards

Neil

Thanks for coming back to me Neil.

Will your client's be undertaking the work on the property themselves or will contractors/builders be brought in? The reason I ask is that this will determine whether planning permission is required for the caravan.

I look forward to hearing from you.

Kind Regards

Wendy

Hi Wendy,  
Thank you for the email.  
We would like 12 months for the caravan.  
Hope that is acceptable.

Kind regards  
Neil

Dear Neil

I am currently checking over the above application submission which I received 14 April and note that your client wishes to site a caravan for a temporary basis whilst the work takes place. I would be grateful if you would confirm the period of time your client wishes the caravan to be sited for.

I look forward to hearing from you at your earliest convenience.

Kind Regards

Wendy
