Dear Jill – I hope you have enjoyed a great Bank Holiday weekend.

In relation to the above application the applicant is confirming that they would like to remove (omit) Unit 2 entirely from the scheme.

This leaves the flue work and proposal for Unit 1 only (dual use). I have attached an amended plan showing only Unit 1 going forward.

With this in mind, the applicant is eager to secure planning and listed building consent for the remaining works as soon as is reasonably possible please although I appreciate that you are very busy.

Kind regards

Cheryl
