Planning Department
North York Moors National Park Authority

Via Email

Dear Planning Department,
Planning Application: NYM/2021/0450/FL – New livestock/machinery building at Butter Park Farm, Egton Grange, Egton

Further to your letter dated 23rd June 2021, in connection with Policy ENV8 of the NYM Local Plan which states that where a proposal creates over 200 square metres of useable floor space, details are to be provided of how it is intended to displace 10% of predicted CO2 omissions.

I have consulted with my client on this issue, and he has confirmed to me that neither the livestock building, nor the machinery store will have heating or lighting installed.

I hope this clarifies matters for you.

Yours sincerely,

Andrea Long
