Hi Hilary

My mistake, stone lintols will be installed to match the existing.

Please let me know when you get feed back from your archaeologist as Joe France from border archaeologist is ready to start

Thanks Robert

Good afternoon Robert,

I am just awaiting consultation responses in relation to your discharge of condition application, including from our archaeologist. However, I have noticed that you are proposing timber lintels but the windows currently have stone lintels and we would expect stone lintels to be used.

Kind regards

Hilary

Following the Government's cautious easing of national restrictions since 29 March 2021 and the recent easing from 17 May, Planning Officers are now available to meet on site or at the office in Helmsley by prior appointment and subject to adherence to the Authority's Covid-19 safeguarding protocol (in the case of pre-application advice this will be subject to the normal fees). The office in Helmsley is likely to re-open to the public on 21 June, however until this date staff will be available to answer telephone calls and receive mail during normal office hours. For further information visit our [Planning Coronavirus Webpage](#).

Good evening Hilary

Do you know when you can commence the on-site HBR

Thanks Robert

Good afternoon Robert,

Our Conservation Team have requested that you provide information about where waste water and fowl sewerage from the caravan.

I look forward to receipt of this information at your earliest convenience.  
Kind regards

Hilary
