Dear Sir/Madam

Our ref: **355837**

Planning consultation: **Variation/removal of condition 1 – to allow permanent siting of Larch clad container or variation of condition to allow siting for a further 5 year period**

Thank you for your consultation.

Natural England currently has no comment to make on the **variation/removal** of condition 1 (as above).

Should the proposal be amended in a way which significantly affects its impact on the natural environment then, in accordance with Section 4 of the Natural Environment and Rural Communities Act 2006, Natural England should be consulted again. Before sending us any further consultations regarding this development, please assess whether the changes proposed will materially affect any of the advice we have previously offered. If they are unlikely to do so, please do not re-consult us.

Subject: RE: NYM/2021/0423/FL - Thornton le Dale PC Consultation

Morning

Thank you for emailing the above Planning Application for consultation. The PC will not meet again now until Tuesday 6th July 2021, at which they would normally consider any planning consultations. Are you able to grant an extension on this deadline until at least the end of that week please ? If not I will endeavour to seek a consensus of opinion from Council Members via email, but that is not ideal.

Thanks and regards
Emma
