Guy Coulson Highfield  
High Hawsker Whitby YO224LF  
Dear Mr Coulson  
Your ref: Our ref: Date:  
NYM\2021\ENQ\17467 28 May 2021  
Pre-application enquiry for use of land for the siting of shepherds hut for holiday letting purposes at Land to the North of Highfield, High Hawsker  
Thank you for the additional information sent in support of your enquiry, received 16 April 2021. Since returning from annual leave I have taken the opportunity to consider the information in discussion with the Head of Development Management who has also visited the site.  
Although the shepherds hut is not sufficiently well screened to meet the requirements of Local Plan Policy UE2, it is seen in the context of the rail trail, neighbouring developments and has a tall hedge as a backdrop. Consequently, it is not considered to be unacceptably harmful to the landscape character of this part of the National Park.  
Consequently, I am pleased to advise, on the basis of the additional information submitted and the particular merits of the site, that I am of the opinion that an application for small-scale holiday letting use (managed from your property; Highfield) is likely to receive Officer support, subject to there being no adverse comments arising from the consultation period.  
I hope the above information is of assistance to you and trust you appreciate that this letter is an expression of informal Officer opinion only, given without prejudice to any decision the Authority may issue following the consideration of a full planning application. If you have any further questions or would like to discuss the matter, please do not hesitate to contact me. Further details on how to apply are contained with the 'notes' at the foot of this letter.  
Yours sincerely  
H. Webster

(b) an elected member  
(c) related to a member of staff

## 24. Authority Employee/Member

### (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

Yes  No

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?
