Dear Ailsa,

Apologies for the late email regarding presentation of this application to committee but we had hoped to receive a reply to our letter emailed to your Authority on the 25th June.

Having not received a reply and read the committee agenda item we feel the following points are relevant and should be made available to members:-

- Our letter to you offered the opportunity to discuss alternatives to the design, this was not replied to.
- As noted within our letter we feel it is very unusual to prevent a Non designated Heritage Asset from being extended in any way which seems to be your authorities stance.
- The extension is set back from the front to ensure the outline of the main elevation including Buttresses presents its original appearance

Thank you for your assistance with this.

Kind regards
Neil
