Dear Sir/Madam

Tree in Conservation Area – land adjacent to 2 Egton Road and opposite War Memorial

Thank you for the notification of your intention to carry out work to the tree on land adjacent to 2 Egton Road and opposite the War Memorial which was received by this office on 13 May 2021. I apologise for the delay in sending you a formal reply.

I can confirm that the North York Moors National Park Authority has no objection to the following work:

| | |
|---|-----------------------------------|
| T1 Purple Leafed Beech | Crown reduction by up to 2 metres |
| Reasons for consent: Tree is situated underneath overhead lines and therefore pruning is required to prevent fouling of lines and maintain an attractive and balanced crown shape | |

As stated in the Town and Country Planning Act 1990 (Listed Buildings and Conservation Areas), the above permission is subject to a six week notification period, with the details recorded in a register open to public inspection. This six week period from the date of notification has now elapsed and therefore the work noted above can be carried out at your earliest convenience within a period of two years and without further reference to myself.
