Re: NYM/2021/0442/FL - Newton Haye

Please be advised that the parish council at its meeting on the 19 July 2021 RESOLVED No Objections to this planning application.

However, a concern was raised that other developments have been made to an adjacent building without planning permission, and it was resolved to include this note in the parish council response.

Dear Team

Our next scheduled meeting is on the 19 July, please could we ask for an extension to respond?
